Data Flow Diagrams

A **Data Flow Diagram (DFD)** is a graphical representation of how data flows through the LegalEase system. It shows how users provide information, how the system processes the information, where data is stored, and how the processed information is returned to users.

User Stories

The following user stories describe the functional requirements of the **LegalEase** application.

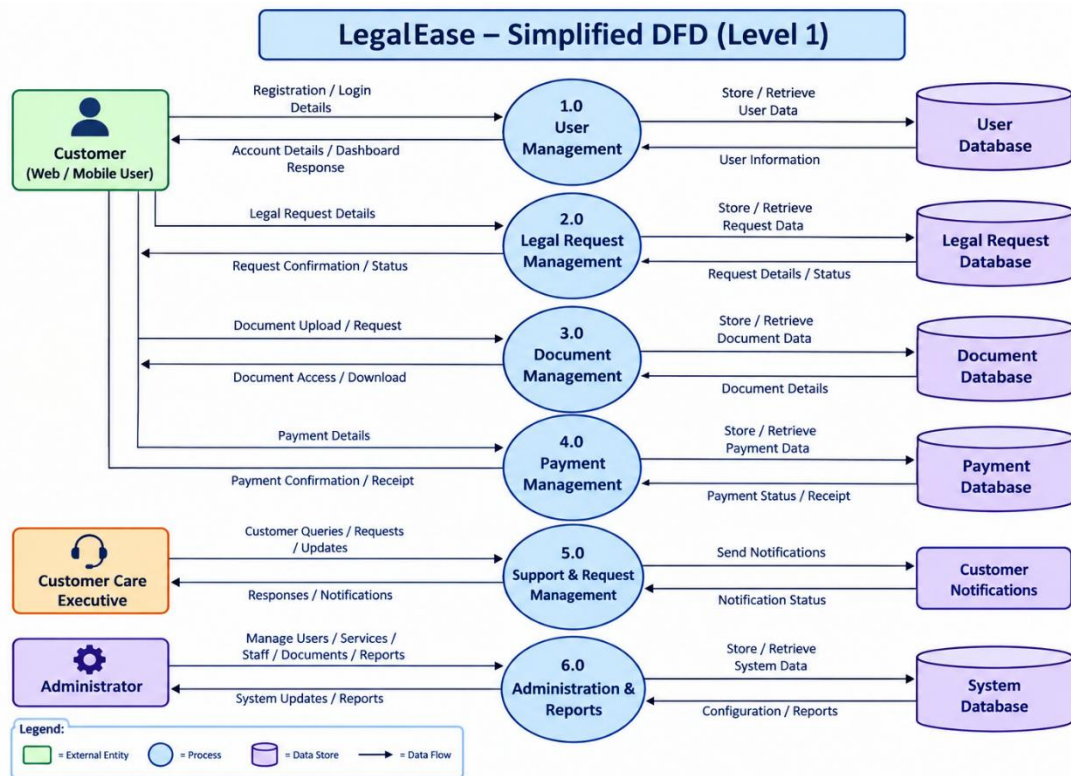

User Type	Functional Requirement (Epic)	User Story Number	User Story / Task	Acceptance Criteria	Priority	Release
Customer (Web/Mobile User)	Registration	USN-1	As a user, I can register for LegalEase	I can successfully create an account	High	Sprint-1

			using my name, email, mobile number and password.	and access my dashboard.		
Customer (Web/Mobile User)	Registration	USN-2	As a user, I can verify my email/mobile number after registration.	I receive a verification message and can verify my account.	High	Sprint-1
Customer (Web/Mobile User)	Login	USN-3	As a user, I can log into LegalEase using my registered email/mobile number and password.	I can securely access my dashboard after successful login.	High	Sprint-1
Customer (Web/Mobile User)	Login	USN-4	As a user, I can reset my password if I forget it.	I can receive a reset link/OTP and create a new password.	High	Sprint-1
Customer (Web/Mobile User)	Dashboard	USN-5	As a user, I can view my LegalEase dashboard.	I can view my requests, documents, appointments and notifications.	High	Sprint-1
Customer (Web/Mobile User)	Legal Services	USN-6	As a user, I can browse available legal services.	I can view different legal services and their details.	High	Sprint-1
Customer (Web/Mobile User)	Legal Request	USN-7	As a user, I can submit a legal request by providing the required information.	My request is successfully submitted and a request ID is generated.	High	Sprint-1
Customer (Web/Mobile User)	Document Upload	USN-8	As a user, I can upload documents related to my legal request.	Supported documents can be uploaded and viewed securely.	High	Sprint-2

Customer (Web/Mobile User)	Document Management	USN-9	As a user, I can view and download my legal documents.	I can securely access documents associated with my account.	High	Sprint-2
Customer (Web/Mobile User)	Lawyer/Expert Consultation	USN-10	As a user, I can request a consultation with a legal professional.	I can select an available professional and submit a consultation request.	High	Sprint-2
Customer (Web/Mobile User)	Appointment	USN-11	As a user, I can schedule a legal consultation appointment.	I can select an available date/time and receive confirmation.	Medium	Sprint-2
Customer (Web/Mobile User)	Notifications	USN-12	As a user, I can receive notifications about my legal requests and appointments.	I receive notifications when the status or appointment changes.	Medium	Sprint-2
Customer (Web/Mobile User)	Payment	USN-13	As a user, I can make online payments for applicable legal services.	Payment is processed successfully and a receipt is generated.	High	Sprint-2
Customer (Web/Mobile User)	Request Tracking	USN-14	As a user, I can track the status of my legal request.	I can view whether my request is pending, processing, completed or closed.	High	Sprint-2
Customer (Web/Mobile User)	Feedback	USN-15	As a user, I can provide feedback after receiving a legal service.	I can submit a rating and feedback successfully.	Low	Sprint-3

Customer Care Executive	Customer Support	USN-16	As a customer care executive, I can view customer requests and queries.	I can access assigned customer requests and their details.	High	Sprint-2
Customer Care Executive	Query Management	USN-17	As a customer care executive, I can respond to customer queries.	Customers can receive my response through the application.	High	Sprint-2

Customer Care Executive	Appointment Management	USN-19	As a customer care executive, I can manage customer appointments.	I can confirm, reschedule or cancel appointments.	Medium	Sprint-3
Administrator	User Management	USN-20	As an administrator, I can manage customer accounts.	I can view, activate, deactivate or manage user accounts.	High	Sprint-1
Administrator	Employee Management	USN-21	As an administrator, I can manage customer care executives and legal	I can add, update and deactivate staff accounts.	High	Sprint-2

			professionals .			
Administrator	Service Management	USN-22	As an administrator , I can add, edit and remove legal services.	Updated services are reflected in the customer application.	High	Sprint-2
Administrator	Document Management	USN-23	As an administrator , I can manage legal documents and templates.	I can add, update and remove authorized documents/templates.	Medium	Sprint-3
Administrator	Payment Management	USN-24	As an administrator , I can view and manage payment transactions.	I can view transaction details and payment status.	Medium	Sprint-3
Administrator	Reports	USN-25	As an administrator , I can generate reports about users, requests and services.	Reports can be generated and viewed based on selected criteria.	Medium	Sprint-3
Administrator	Security	USN-26	As an administrator , I can monitor system activity and manage access permissions.	Only authorized users can access restricted functions.	High	Sprint-3

Main Actors in LegalEase

1. **Customer (Web/Mobile User)** – Registers, logs in, requests legal services, uploads documents, books consultations, makes payments and tracks requests.
2. **Customer Care Executive** – Handles customer queries, manages requests and appointments, and communicates with customers.
3. **Legal Professional** – Reviews legal requests/documents and provides legal consultation or services.
4. **Administrator** – Manages users, services, staff, documents, payments, reports and system access.
